VI. REPORTING POTENTIAL CRIMES INVOLVING MINORS

In a situation of suspected child abuse, all University administrators, faculty, coaches, staff, student workers, contractors, and/or volunteers who are in clearance required positions and/or have direct contact with children, are considered mandated reporters for purposes of this Policy. Everyone who is deemed a mandated reporter pursuant to this Policy shall be trained as a mandated reporter consistent with Pennsylvania law.

All mandated reporters shall make an immediate report of suspected child abuse or cause a report to be made if they have reasonable cause to suspect that a child is a victim of child abuse under any of the following circumstances:

The mandated reporter comes into contact with the child in the course of employment, occupation, and practice of a profession or through a regularly scheduled program, activity, or service.

The mandated reporter is directly responsible for the care, supervision, guidance, or training of the child, or is affiliated with an agency, institution, organization, school, regularly established church or religious organization, or other entity that is directly responsible for the care, supervision, guidance, or training of the child.

A person makes a specific disclosure to the mandated reporter that an identifiable child is the victim of child abuse.

An individual 14 years of age or older makes a specific disclosure to the mandated reporter that the individual has committed child abuse.

The minor is not required to come before the mandated reporter in order for the mandated reporter to make a report of suspected child abuse. The mandated reporter does not need to determine the identity of the person responsible for the child abuse to make a report of suspected child abuse.

Whenever possible, try to have another adult present when working with minors in an unsupervised setting. Conduct necessary one-on-one interactions with minors in a public environment where interactions can be observed

Listen to and interact with minors and provide appropriate praise and positive reinforcement

Treat all minors in a group consistently and fairly, and with respect and dignity

The underlying event(s) that occurred;

The time elapsed since the finding;

The individual's employment history and/or other evidence of his or her activities in the intervening time since the finding; and

Other relevant information.

A prior arrest or conviction shall not automatically disqualify an individual from participating in a program or activity, but shall be considered using the criteria identified above. Mercyhurst University reserves the rights to terminate employment, volunteer positions, or third-party contracts based on the findings of the criminal background check(s) after an assessment of the findings in relationship to the position held and the nature of the work being performed. All reviews will be conducted in compliance with the Fair Credit Reporting Act.

For University-sponsored or -affiliated programs or activities, only valid Act 33, 34, and 73 criminal history clearances will be accepted for purposes of this Policy.

Criminal history clearances for Mercyhurst University faculty, staff, students, and volunteers who participate in University-sponsored or -affiliated programs or activities involving minors must be renewed every 60 months. Any faculty, staff, student or volunteer who is required by this Policy to have a criminal history clearance is under a continuing obligation to disclose immediately any new felony or misdemeanor conviction to his/her supervisor and Human Resources within 72 hours. An individualized assessment will be conducted as outlined earlier in this section.

The Human Resources Department will oversee the review of criminal history clearances for Mercyhurst University faculty, staff, students, and volunteers, and in consultation with appropriate departmental representative(s), will make determinations in cases where criminal history clearances reveal adverse information that is relevant to one's participation in a program or activity covered by this Policy.

Except where required by law, criminal history clearances of University faculty, staff, students, and volunteers will be used only for purposes consistent with this Policy and will otherwise be kept confidential. Any record of information returned as a result of the criminal history clearance will be maintained separately from an individual's personnel, student or volunteer file.

Non-University organizations and entities that operate programs or activities on campus involving minors must ensure that criminal history clearances are obtained for their employees, volunteers, and representatives that meet Mercyhurst University standards as defined by their contract/agreement with the University. The University may exclude any external program employee, volunteer or representative who does not obtain criminal history clearances that are satisfactory to the University. Non-University organizations and entities must also submit a Certification of compliance with the criminal history clearance rules described herein. The University may request any additional information or impose additional conditions it deems necessary to meet the requirements of this Policy including, but not limited to, maintaining specified insurance coverage.
